

THE MUSKOKA DANCE ACADEMY'S
MUSKOKA COMMUNITY PERFORMING ARTS COMPANY

IS NOW ON TOUR!

Tour: January – April 2015

ABOUT US:

We are in our third successful year and once again on tour in Muskoka. Our focus is to provide young local dancers and singers with opportunity, experience and knowledge in the world of the Performing Arts. Through local performances and working with professional choreographers, it is our intention to help develop performance skills and confidence in our young talent. This is a non-profit company; through Dancer Membership fees and local donations we try to offset cost of costumes, props and music. Our 2015 show is a 30 minute production entitled "Under The Sea". This production involves performers age 4yrs - 17yrs performing Musical Theatre, Acrobatics, Jazz Dance and live Singing in front of a fabulous Set.
