MUSKOKA PERFORMING ARTS DANCE COMPANY

The Muskoka Dance Academy is offering young dancers 5yrs and up performance opportunities in Muskoka. We are developing a non-profit, non-competitive dance company which will tour Muskoka and perform for local groups, charities and events. This company will consist of two age groups; Junior Performers 5yrs-11yrs, and Senior Performers 12yrs and up. Routines will be choreographed and taught to the dancers that involve Acrobatics, Musical Theatre and stylized Jazz dance. Experience in all these areas is beneficial but not necessary. Dancers chosen for this performance company must be planning to register and/or continue training in dance lessons at an established dance studio. Dancers accepted must be able to provide proof of this registration as well as permission from their current dance teacher to perform with the Muskoka Performing Arts Company.
