

MUSKOKA DANCE ACADEMY - DANCE STUDIO PROTOCOL

We will treat our Dance Studio as if EVERYONE is asymptomatic. We will keep a social and spatial distance of at least SIX feet. We will keep our facility and equipment sanitized and clean as often as possible. We will endeavour to Combat COVID-19 Aggressively so we can Continue to Live our BEST DANCE Life 😊

PLEASE DO NOT COME TO CLASS IF:

- *You have any symptoms (fever, runny nose, cough, sore throat, shortness of breath)
- *You have been exposed to someone who may be COVID-19 positive
- *You have travelled outside the Country in the last 14 days

1) Spatial Distance:

Wait safely in a car or outside the building for an MDA Staff Member to welcome you 10mins prior to class

2) Get Screened:

Answer 3 standard questions and have your temperature taken digitally (100.4 max)

3) Hand Sanitize:

Make sure your hands are free to be sprayed with a HAND SANITIZER before you enter the building and journey through the common areas to the MDA Dance Studio Facility

4) Remove Outdoor Shoes:

Once inside the MDA Facility, remove your outdoor shoes, place them in a sealed bag and put them inside a designated locker or your Dance Bag

5) Be Patient:

If classrooms are not ready to welcome students, please wait in a designated "Safe Chair" until you are called

6) Hand Sanitize:

When it is time to enter your Dance Class please HAND SANITIZE

7) Personal Rest Space:

Each Dancer will be designated an area inside the Dance Room where they will place their belongings, sip water and have personal time to rest

8) Personal Dance Space:

Each Dancer will be designated a Personal 7x7 "Safe Space" to move, dance, laugh and learn. Please remember to SPATIAL DISTANCE at all times and WEAR A MASK

9) Dance Your Heart Out:

Enjoy your dance class with confidence and pride! Wear a Mask and HAND SANITIZE!

- 10) **Gather your Belongings:** When Dance Class is done, one at a time, dancers will be asked to exit the studio, they must HAND SANITIZE before they journey through the Common areas and HAND SANITIZE again before exiting the building.
